

BEA CONFORMITY

TO EUROPEAN REGULATION: WEEE

Angleur, September 25th 2009

Dear Sirs,

After careful analysis of the European directive WEEE (2002/96/EC) as well as the current interpretation of these documents by ORGALIME "Guide to the scope of the WEEE and RoHS directive"¹, BEA came to the conclusion that they are in conformity with the WEEE regulation.

Yours Sincerely

Michel **PETERS**
