PORCELANICO

La ilusión por superarnos cada día y mantener el compromiso con nuestros clientes, ha hecho que crezcamos y evolucionemos hacia nuevas tendencias cerámicas. Cicogres les presenta en este catálogo su nueva gama de fabricados Porcelánicos Esmaltados.

Con el deseo de que todos podamos alcanzar un mercado más amplio, les agradecemos la confianza que han depositado en esta casa.

Our eagerness to keep improving and maintain the commitment to our clients has made our company bigger and has encouraged the development of new ceramic tendencies. Cicogres introduces in this catalogue its new glazed porcelainic range.

In the hope that we will all achieve a broader market, we want to express our gratitude for trusting our company.
