La Empresa | The Company

Spigogroup es una empresa enfocada a la fabricación de soluciones en madera que aportan diseño y calidad en todos sus proyectos. Ayudamos a prescriptores y constructores ofreciéndoles las múltiples opciones y variedades de productos en madera con el fin de obtener los mejores resultados para los proyectos más exigentes.

Gracias a su constante inversión en Investigación y desarrollo (I+D), la empresa amplía sus productos en la división de MOBILIARIO DEPORTIVO bajo su marca comercial Spigocompac.

Con Spigocompac, queremos abarcar toda la carpintería especializada en mobiliario deportivo, como cabinas fenólicas, taquillas de vestuario, bancos, encimeras...

Spigogroup is a company which is focused to the production of wooden solutions, who provide design and quality in every project. Spigogroup helps consultants and builders, providing them with the many options and varieties that wooden products offer in order to obtain the most demanding projects.

Owing to our constant investment in Research and Development (R&D), the firm increases its multi-product divisions, so we offer you our SPORT FURNITURE, under its commercial name Spigocompac.

With Spigocompac, we want to include the carpentry specialized in sport furniture, such as Phenolic cabins, lockers, benches, worktop...
